MEMORANDUM FOR THE RECORD

12 September 1973

X1A

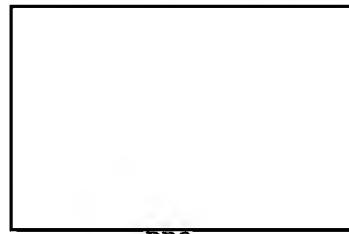

SUBJECT:

1. In a conversation with Captain Barry Blay on 12 September 1973, the Captain stated the article 32 B hearing was held yesterday and that the investigating officer determined there was sufficient evidence to proceed with the trial.

2. Defense council raised the question of proper classification. He questioned as to whether or not there could be disagreement between reasonable men as to proper classification. This was answered by Major Di Angelo by stating that there could be difference of opinion but once done the defendant must abide by the decision. Matter then dropped.

3. Captain Blay stated in addition to the two Information Briefs there would be more. Upon being asked he said there would be six. I queried him as to why this volume as six doesn't make him any more guilty than two.

4. Captain Blay said the trial will have to be held prior to 26 October 1973.
